About Charlotte

I am a Principal Consultant focusing predominantly on both permanent and contract **Accountancy and Finance** positions within our Not-for-Profit division here at Method Recruitment. I have over five years of experience recruiting both transactional and part-qualified finance positions through to senior leadership and **board level roles** in the UK market. During this time, I have built up a deep understanding of the accountancy and finance market, alongside trends and key drivers in the client and candidate community. I pride myself on being a trusted recruitment partner and **building meaningful relationships** with both clients and candidates, providing an honest and consultative, value add approach.

I have recently relocated to Melbourne in search of a new challenge and hopefully some better weather. In my spare time, for the past 8 years I've been volunteering as a **unit leader** with GirlGuiding and I was thrilled to complete a fundraiser earlier this year where I cycled from London to Paris and **raised over £15,000** for a local children's charity. Outside of work you will either find me on the netball court, catching up with friends or spending a long weekend away at any opportunity I get!
